Graeme

Formidable frontman of some of South Africa's hottest entertainment outfits, Graeme Watkins, continues to dominate stages locally and internationally.

Whether you've seen him Crooning in Swing City, Rocking out with Pop Rock Band Graeme Watkins Project, or starring in one of your favourite TV series, Watkins has become a firm favourite on South African stages and screens for the past 15 years.

His dynamic ability to entertain any crowd, of any age and demographic has secured him and fantastic base of return clients over the past decade and a half.

Graeme is also a successful businessman and runs a sound and technical company, as well as restaurants in the Gauteng area. He has composed music, and conceptualised event and advertising strategies to many corporate and event companies over the years.

We are able to quote on the following:

-Graeme Watkins MC
